Thanks Tony,  
We understand the wells will be decommissioned in accordance with the requirements of the City and County of San Francisco Department of Public Health - Monitoring Well Section and the California State Water

Resources Bulletin 74 Water Well Standards (74-90). We defer to the Water Board with respect to the decision to decommission the wells and the approval of the Work Plan. We will not be submitting comments on the Work Plan.

Subject: Treasure Island Well Decommissioning Work Plan

Hi All - This is just a reminder that comments on the December 2010 Draft Well Decommissioning Work Plan for Treasure Island are due today.

Please let me know if you have any comments on the plan by Friday, 1/14.

If you don't have any comments, please send me a brief email indicating that you do not have any comments.

Thank you for your continued support on this project.

Regards,

Tony K.
